

How to share your faith naturally?

Learn to witness effectively to your friends and loved ones

Equip Finland! is a practical training with interactive teaching. **The heart of the learning takes place in three on-the-job trainings (OJT)** on Friday, Saturday & Sunday. In a team of three, you'll meet your loved ones and acquaintances in respectful and listening conversations, safely led by an XEE-trained team leader. Experience relaxed discussions and deepened friendship!

You can follow teaching in **Malmi Saalem Church** (Malmin asematie 3, **Helsinki**, Finland) or **anywhere in the world, on a Zoom video call**. OJTs take place locally or online.

Register by November 15! The training is free of charge. You only pay for your meals (restaurants near Malmi Saalem Church). *Equip Finland!* is organized by XEE Evangelism Explosion Finland.
